“xxx.....xxx.....xxx

3. *If the requisite action at the end of the concerned SDM is pending then the SDM is required to look into the issue and do the needful without any unnecessary delay. Thus, we permit the Applicant to file a detailed representation disclosing the various complaints made by him and also the details of the communication sent by the DJB to the SDM after finding the borewells to be illegal. On receipt of such a representation, the SDM will take appropriate action in accordance with law, as expeditiously as possible preferably within four weeks.”*

4. In this E.A. proceedings, Counsel for SDM, Civil Lines (now is SDM Model Town) and SDM Sarswati Vihar submitted that borewells in serial no.1, 5 and 7 were sealed.

5. In the fresh report dated 19.02.2026 filed by SDM, Model Town has disclosed that borewells at serial no. 2, 3, 4 and 6 have been sealed. The details are disclosed as follows:

“

S.No.	Sl. No. as per order dated 04.12.2025	Address of illegal borewell	Action Taken	Usage of Site

8. Let further report be filed by the SDM, Model Town in this regard within three weeks.

9. List on 01.04.2026.
